## PROJECT/WORK HISTORY

- **Project Work- Full Mission Simulator for LCA Aeronautical Development Establishment (DRDO-DEFENCE RESEARCH AND DEVELOPMENT ORGANISATION)**

I had a very good experience seeing the hierarchy of work, industrial experience and exposure to different defense technologies under the guidance of scientist Mr. Suraj.

- **Finance Internship- BB ADVISORY**

I learned how to apply tools, techniques & strategies used in trading international currencies and commodities and also recognize & examine the basics and risk rewards of the stocks, commodities, and currency market.

- **AWIGN Enterprises-**

Short term freelancing regarding sales and marketing where I had to pitch about the offers and discounts to small scale retailers which gives me gist of communication and marketing field.
